

Marriott Marquis San Francisco – Overhead Digital Signs

Digital Banners

Sponsor can provide a single graphic to be displayed on all 5 monitors, or multiple graphics each of which will be displayed on the designated monitor (example: a YouTube video to be shown on monitors 1-2, a JPG on monitor 3 with exhibit booth info, and a demonstration video on monitors 4-5), as long as each graphic is the correct resolution.

Dimensions:

- One display = 1920 x 1080
- Two displays = 3840 x 1080
- Three displays = 5760 x 1080
- Four displays = 7680 x 1080
- Five displays = 9600 x 1080

File formats: Images in JPG or PNG; Video in MP4 or MOV

Sources: Content from YouTube, Facebook, or any web address, as long as the content isn't password protected

Time intervals: Please specify your preferred interval.
