eCommerce benefits

Envision Pro
by Freeman™

We've added eCommerce to Envision Pro by Freeman™

Adding eCommerce to Envision Pro will allow you to take advantage of the newest technology to drive sales and capture revenue. Your users expect the convenience of a shopping cart experience. We can provide that for you now by integrating a state of the art secure payment technology from Stripe.

Improve Customer Experience

Offer a quick, convenient way to pay for sponsorship opportunities without creating a new account or leaving your Envision Pro site.

Increase Sales

Offering an easy check out process maximizes your sales opportunity and increases revenue.

Real Time Inventory Availability

Purchased sponsorships are automatically removed from available inventory, driving sell thru for remaining opportunities.

Sell 24/7

Make it easy for your sponsor to purchase at any time to increase sales globally.

Flexible Payment Options

You can accept all major debit and credit cards from customers in every country in 135+ currencies.

For more information please contact: digital@freeman.com

Get Paid Quickly

Credit card sponsorship purchases appear in your Stripe account immediately.

Be in Control

You manage your purchase revenue, including credits, refunds or exchanges. You define when and where you want to transfer your purchase revenue in your Stripe account.

Best in Class Technology

We focus on enhancing the best sponsorship management tool and Stripe continues to update their best in class payment solution.

Connect Stripe in Minutes

We've made it easy to connect Stripe to your Envision Pro site. With just a few vital bits of information, you'll be ready to take payment through Envision Pro within minutes.
