

A photograph of a modern building's entrance. The building features a multi-story facade with light-colored panels and dark blue accents. A prominent white sign is mounted on the wall, outlined in orange. The sign contains the text "20'W x 7'H". The entrance area is brightly lit, and the floor is highly reflective. In the foreground, there are some trash bins and a wheelchair accessibility symbol on the wall.

20'W x 7'H
