

HAND SANITIZING STATIONS

Hand Sanitizing stations are accessible in public spaces of the Convention Center and include an automatic, touch-free dispenser. These stations are placed throughout the lobbies, near elevators, at the top and bottom of escalators, and in Food & Beverage areas. Sanitizer stations are available to be branded.

- NOENMCC logo stations are primarily positioned near escalators and in first level lobby areas.
- Four 11.5" x 58" vertical panels are available for branding.

- Grey standing stations are primarily positioned near elevators, charging stations and Food & Beverage areas.
- One 6" x 8" panel is available for branding.

- One complimentary hand sanitizer station will be provided inside the show office per event.
- Hand sanitizer contains 70% alcohol.
- Contact your Event Manager for additional information regarding branding opportunities.
