

Escalator in between Regency Ballroom and Manatee Springs Room

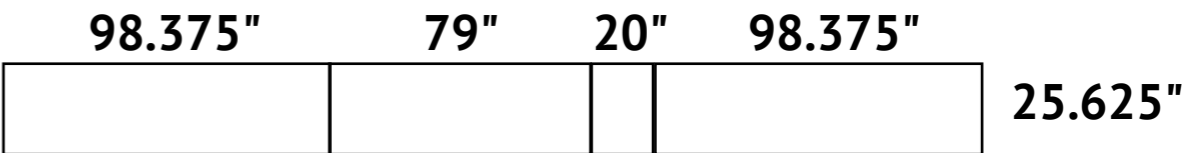

Glass straight panes all measure the same
 98.375"W x 25.625"H
 with a .5" gap between each pane.

Metal strip between escalators

Right side of Down escalator and both sides of Up escalator have 2 curved pieces of glass and three straight pieces as seen in the diagram above.

Down escalator left side middle glass was broken and replaced with two smaller pieces.
