

RSNA 2024

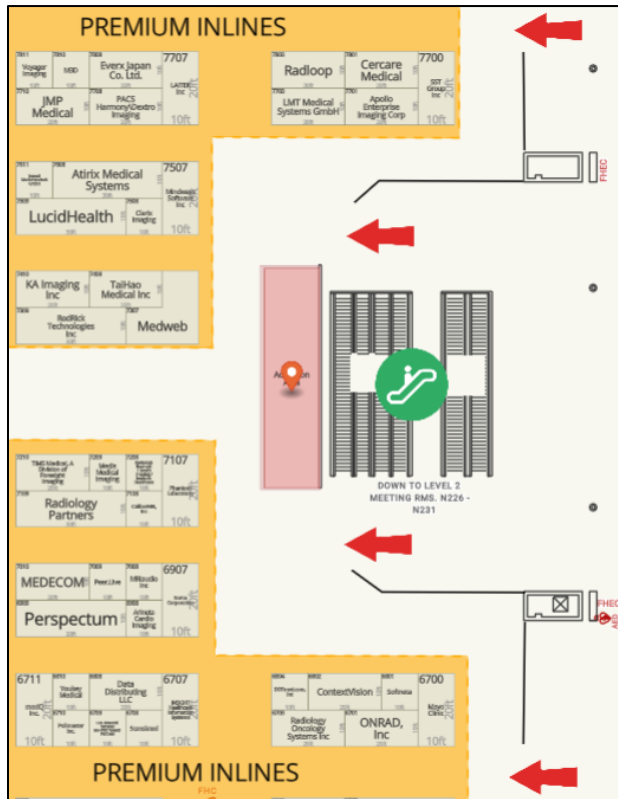

North Exhibit Hall Activation Area Guidelines

1. RSNA recommends that the sponsor use this area as a lounge or host a special activity or activation within the space. This space may not be used for:
 - a. Headquarter space
 - b. Hosting business meetings
 - c. Educational purposes
 - d. Product displays or demonstrations
 - e. Product sales
2. Staffing of the space is subject to RSNA approval. No staff badges are included with this opportunity.
3. Sponsor may use the space as marked in the image below: 60' in length, 15' wide.
4. Standard RSNA aisle carpet is included, custom carpeting is at the expense of the sponsor.
5. Sponsor must cover all costs associated with the activity or design, above and beyond the sponsorship fee.
6. Sponsor will work directly with Freeman for shipping and installation instructions and to order electrical. Ordering details can be found on the [Exhibitor Service Kit](#), available July 17.
7. Signage/Display Guidelines
 - a. Signage must not be higher than 10' tall. No hanging signs are allowed. Signage must not be wider than 5' wide.
 - b. Signage may not obstruct line of sight into the North Hall. A minimum of 50% open visibility in the back wall must be maintained.
 - c. All signage and design concepts are subject to RSNA approval. Design is due to RSNA by September 1, 2024.
 - d. These regulations are presented to create and maintain an open atmosphere on the exhibit floor. RSNA requires sponsors and exhibitors to utilize good judgment and consideration for neighboring exhibitors and attendees. This Activation Area must conform to and enhance the professional, educational and instructional atmosphere of the meeting. Overstatement in the design is to be avoided. Appropriate display components and furniture must be provided by the exhibitors at their expense.
8. Sponsor must follow all RSNA Rules & Regulations, which are available on the [Planning your exhibit](#) page.
9. RSNA must approve all concepts, and final design and specifications must be submitted to Freeman, McCormick Place, and RSNA for approval by September 1, 2024. RSNA has the right to mandate modifications. This Activation Area is subject to onsite review. Modification, where necessary, will be at the exhibitor's expense.

All concepts, final designs and specifications must be emailed to the RSNA sponsorship team at sponsors@rsna.org by September 1, 2024.

See the following page for the location of the North Exhibit Hall Activation Area on the RSNA 2024 floor plans.
