Deliverables Needed

Due: July 8

- Logo file
 - Logo files should be provided in scalable (.ai, .eps, or .svg) **and** .jpg or .png formats with transparent backgrounds. A minimum width of 500 pixels is suggested for .jpg and .png files. All logos will be resized by RSNA Marketing and our vendors to best fit the placement and to ensure consistent sizing. It is strongly recommended for sponsors to provide brand guidelines to accompany the logo. Examples of logo placements are available upon request.
