

RSNA In-Person Exhibit Hall Open-Air Theater Presentation Guidelines

RSNA 2025 exhibitors can have exclusive time to make an in-person presentation to RSNA attendees at one of RSNA's open-air theaters in the South Technical Exhibit Hall. Companies may use this time to:

- Highlight their AI solutions in medical imaging in the AI Theater
- Present their new product or innovative solution in the Innovation Theater
- Relay their compelling stories of insight and inspiration during a Center Stage presentation at the Innovation Theater

RSNA open-air theater presentations are not eligible for CME credit.

It is the company's responsibility to distribute these guidelines to the appropriate company personnel and/or any agents, representatives or contractors involved in planning activities at the RSNA annual meeting. The company requesting a presentation is responsible for the actions of its employees and/or agents and will be expected to follow all rules and guidelines outlined below.

New guidelines for RSNA 2025 are highlighted in red.

General Guidelines

1. All presentations in RSNA's open-air theaters must be straightforward, professional and non-combative in nature.

3. RSNA 2025 theater presentations are available on a first-come, first-served basis. Fees are non-transferable. Full payment is due to RSNA within 30 days of receiving the invoice.
 - AI Theater presentations are available to AI Showcase exhibitors for \$3,500/presentation and to exhibitors without an exhibit presence in the AI Showcase for \$5,000/presentation.

7. Center Stage presenters will be provided with a wireless handheld microphone and wireless slide advancer.

Exhibitors planning to film or record their presentation should review General Guidelines 25 and 26 below.
10. RSNA is not liable for any issues with the quality of the recording. RSNA assumes no liability for circumstances beyond our control such as power failures, malfunctioning of the online meeting platform, internet, or devices and other systems used to access RSNA Meeting Central.

12. **The format and timing of the 20-minute AI Theater and Innovation Theater presentations do not allow for Q&A during the session.** Sponsors are encouraged to invite attendees to your booth at the conclusion of your presentation to continue the conversation. Center Stage sponsors may opt to include a Q&A portion during the 45-minute presentation.
13. Presenters are strongly encouraged to bring their presentation file to the theater the morning of their scheduled presentation for a brief technical test with the AV company and RSNA staff. Note that the file must be on a thumb drive. There will not be an option for any rehearsal time and the test will be limited to a maximum of five minutes to allow all presenters the same opportunity to test. All companies presenting on a given day will be testing at the same time each morning.

14. Complete logistical details and day-of instructions will be provided closer to the date of the meeting.
15. Center Stage presentations are booked in 45-minute blocks. 17. All speakers and staff working the theater presentation must be registered to access all onsite meeting spaces, including the open-air theaters. Speakers with an RSNA 2025 badge, regardless of exhibitor status, will be able to access the theaters beginning at 9:00 a.m. for testing prior to the opening of the exhibit floor at 10 a.m. CT.
18. Exhibitors securing a theater presentation may register presenters as exhibitor personnel, if applicable, using your exhibitor badge allotment or they can register on the [RSNA Annual Meeting Registration page](#). time. The company representative is encouraged to utilize best practice by asking for attendee permission, allowing individuals to opt in, prior to scanning badges.

22. Sponsors with a Center Stage presentation will receive metrics on total presentation views within RSNA Meeting Central as well as a list of attendees that opted to share their contact information for the on-demand presentation. Session reports and a copy of the RSNA recording will be provided to Center Stage sponsors in January. Updated metrics are available upon request following the conclusion of virtual access on February 27, 2026, at noon CT.
23. No handouts or materials of any type may be distributed in the theaters.
24. RSNA does not guarantee attendance numbers for any sponsored education presentation, including theater presentations.

Companies are permitted to film or record their own presentation from the theater but may not start any set up until the prior presentation has concluded and cannot block the aisles or obstruct the view of the stage in any way. Companies are not allowed to video tape anything other than the presentation, and the filming cannot disrupt the flow of the theater presentations. Any company planning to film must confirm this information on the Program Submission form. There are no restrictions on how a company can use their own recording of the theater presentation so long as the presentation is not positioned as RSNA education. The company recording will not be included on RSNA Meeting Central; only the RSNA recording of slides and audio will be used as the on-demand content.
26. Companies are not allowed to bring a large filming crew to capture the presentation. Companies may hire an outside contractor to film the presentation, but the company must provide a certificate of insurance to RSNA. The company must also register the contractor as an Exhibitor Appointed Contractor (EAC) by October 15. Details on EAC registration are listed under the [Exhibitor Service Kit](#) and will be available July 15. Companies must follow all [RSNA 2025 Exhibitor Rules and Regulations](#). Third-Party Organizers must also be registered as an EAC (Exhibitor Appointed Contractor) by October 15. EAC registration information can be obtained through the [Exhibitor Service Kit](#), which will be available July 15.

36. All matters and questions not covered by the above guidelines are subject to the discretion of RSNA.
