3. Product Theater Guidelines:

Product Theaters, unopposed to each other, provide an opportunity for commercial organizations to present information about their products, services or therapeutic areas to delegates attending the 2026 AAAAI Annual Meeting. The material presented may be promotional and may concentrate on a specific product. Product Theaters are up to 30 minutes in length (to include Q&A if part of your presentation), scheduled in the Exhibit Hall, and open to all Meeting attendees on a first-come, first-served basis. Doors will be open 30 minutes prior to the start time to allow for badge scanning and for attendees to pick up food and find a seat. You will be allowed 15 minutes to vacate the theater. All personnel must have Annual Meeting Exhibitor or Delegate badges to enter the Exhibit Hall. Members of the AAAAI Presidential Line are not allowed to accept speaker/moderator invitations.

The AAAAI adheres to a right of first refusal process for organizations who have supported Product Theaters the previous year. This means that the 2025 AAAAI/WAO Joint Congress supporter is given the option of confirming support of the same day/time for a Product Theater at the 2026 AAAAI Annual Meeting before sponsorship of that function can be offered to another organization. Previous sponsors have until Wednesday, October 15, 2025 at 5:00 pm CT to submit their application to hold their day/time from the 2025 Joint Congress. After the right of first refusal deadline has passed, any available day/time slots will be offered on a first-come, first-served basis to the waitlist of Product Theaters. Any requests from the 2025 Joint Congress supporters to change the day/time of their program will be considered after the right of first refusal deadline has passed (i.e., programs that request a change in day/time are not eligible for right of first refusal and will be slotted only if placement is available). The AAAAI reserves the right to confirm final placement of all Product Theaters.

The \$90,000 payment to AAAAI includes:

Product Theater space in the Annual Meeting Exhibit Hall - Pennsylvania Convention Center, 1101 Arch Street, Philadelphia, PA 19107
