

RSNA Lunch & Learn Guidelines

An RSNA Lunch & Learn offers an exhibiting company the opportunity to conduct an informational program for professional attendees during the RSNA annual meeting at McCormick Place.

It is the company's responsibility to distribute these guidelines to the appropriate company personnel and/or any agents, representatives or contractors involved in planning activities at the RSNA annual meeting. The company requesting the Lunch & Learn is responsible for the actions of its employees and/or agents and will be expected to follow all rules and guidelines outlined below.

New guidelines for RSNA 2026 are highlighted in red.

General Guidelines

1. A Lunch & Learn is strictly an informational, non-CME function that includes a formal presentation or procedural instruction conducted by an RSNA 2026 exhibitor. Medical societies and associations are not eligible to host Lunch & Learns. Presentations must be straightforward, professional, and non-combative in nature.
2. Product and/or equipment demonstrations are subject to RSNA review and approval and must be educational in nature. Requests to include an equipment demonstration as part of a Lunch & Learn presentation must be submitted to sponsors@rsna.org by September 15 for approval. Promotional or commercial activities of any kind are not permitted.
3. The cost of the Lunch & Learn is \$18,000/function and presentations are available on a first-come, first-served basis after the first right of refusal process is completed. Fees are non-transferable. Payment must be received by RSNA within 30 days of receiving the invoice. If the sponsorship is cancelled between July 1 and September 1, 50% of sponsorship fee will be charged. Cancellations after September 1 will be charged the full rate.
4. Cancellation of technical exhibit space results in the immediate release of any assigned function space for a Lunch & Learn event. Standard Lunch & Learn cancellation terms in Guideline 3 apply.
5. RSNA will capture the slides and audio for each Lunch & Learn to be included as on-demand content within RSNA Meeting Central approximately 24 hours after the live session concludes. The on-demand recording will not include a camera view of speakers. The on-demand recording will be available to professional attendees with an active registration through February 2027. Exhibitor registration will not include access to industry on-demand content. Registration promo codes providing a single individual on your team with access to industry session on-demand content will be available upon request to RSNA Corporate Partners with a Lunch & Learn. Lunch & Learn sponsor will receive a copy of the RSNA recording file in January. Companies planning to film their presentation should review General Guidelines 13 and 14 below.
6. RSNA is not liable for any issues with the quality of the recording. RSNA assumes no liability for circumstances beyond our control such as power failures, accidental disturbances to power cords, reduced audio quality due to

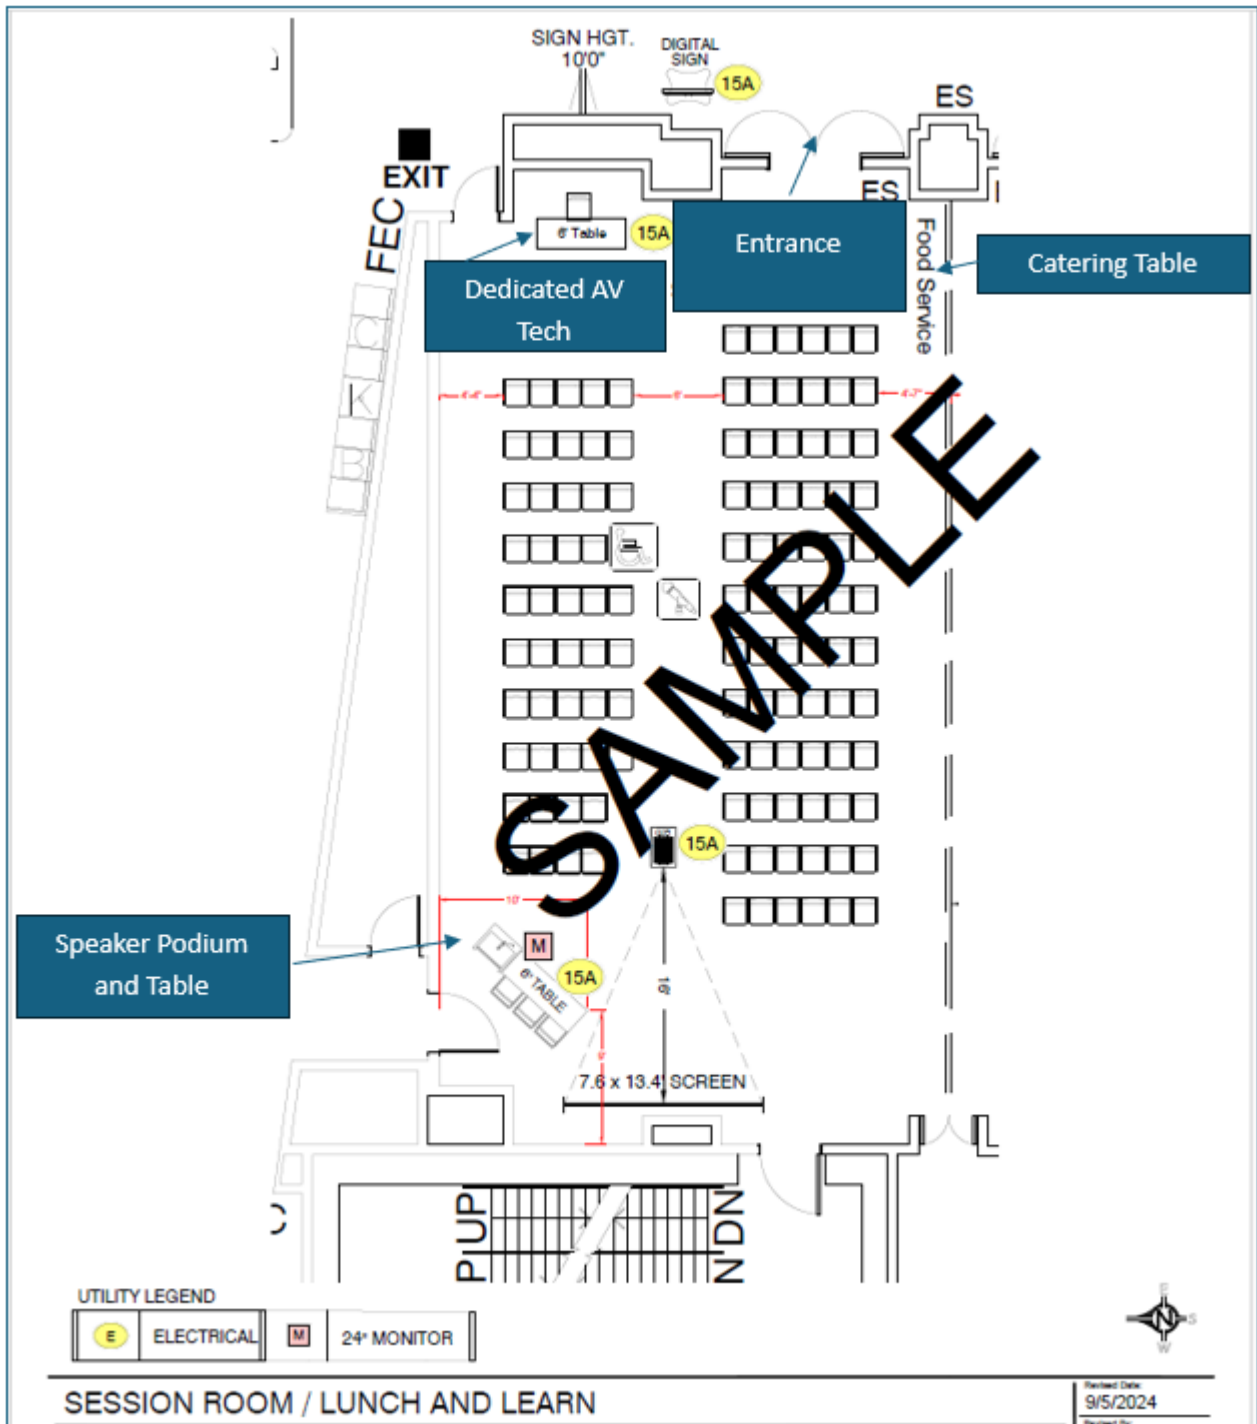

speaker's proximity to microphones, malfunctioning of the online meeting platform, internet, or devices and other systems used to access RSNA Meeting Central.

7. Approved Lunch & Learn sessions (all in Central Time):

- Sunday, November 29 11:45 a.m. – 12:45 p.m.
- Monday, November 30 12:00 p.m. – 1:00 p.m.
- Tuesday, December 1 12:00 p.m. – 1:00 p.m.
- Wednesday, December 2 12:00 p.m. – 1:00 p.m.

8. The Lunch & Learn fee includes a meeting room set theater style and standard audiovisual equipment which cannot be changed. The audiovisual equipment includes a laptop at podium, LCD projector, widescreen (16:9), confidence monitor, podium microphone, head table with three chairs, head table wired microphone, aisle wired microphone, wireless handheld microphone, wireless slide advancer, HDMI connection, and wireless internet. A dedicated technician will be available in the room during your session. Tables for food set-up will be provided. Also included is a check-in table with two chairs outside the room. The company may choose to use the RSNA provided laptop or bring their own.
9. Lunch & Learn companies may not make any changes or additions to the room set and may not move any of the existing furniture or equipment for the Lunch & Learn presentation. Additional orders of microphones, equipment, and furniture are not permitted for Lunch & Learn presentations.
10. **Lunch & Learn sessions should not exceed three speakers as the head table is not set to accommodate additional speakers.** If companies choose to have additional speakers, they should reserve seats in the front row when arriving at the room so that speakers can take turns at the podium and head table.
11. Room assignments and capacity information will be shared in June. Additional logistical information, including instructions for ordering catering, will be shared in October. **A sample room layout, which is subject to change, is provided on the following page.**

Guidelines continue on the following page

12. The exhibitor will be responsible for providing boxed lunches to attendees through OVG Hospitality at an additional fee. Catering orders should not be submitted prior to receiving OVG Hospitality contact information specific for Lunch & Learns in the October logistical email communication. OVG Hospitality information provided on the Exhibitor Service Kit relates only to booth ordering and should not be used for Lunch & Learn orders. The final guarantee, including any increases, will be due to OVG Hospitality by November 13. Any orders placed after the deadline will be subject to availability and will not be guaranteed until confirmed by your OVG Catering Manager. The On-Site Catering Menu will be in effect beginning November 14 and there will be a 20% increase in price applied to your order. For all orders placed on site, there is a minimum of a three-hour delivery window from the time the order is placed to delivery to the meeting room.
13. Companies are permitted to film their Lunch & Learn. Sponsor must notify both RSNA and Freeman AV that they plan to film no later than October 31. Sponsor is responsible for all expenses related to filming. There are no restrictions on how a company can use their own recording of the Lunch & Learn so long as the presentation is not positioned as RSNA education. The company recording will not be included on RSNA Meeting Central; only the RSNA recording will be used as the on-demand content.
14. If bringing in an outside contractor to film session, sponsor must complete and submit the Exhibitor Appointed Contractor (EAC) registration and provide a certificate of insurance by October 15. Details can be found under the Exhibitor Service Kit available July 15.
15. Companies are responsible for inviting attendees to their Lunch & Learn. Companies may not charge a fee to attendees.
16. RSNA does not guarantee attendance numbers for any sponsored education presentation, including Lunch & Learns.
17. Promotional giveaways are permitted inside the room only and must meet the guidelines for giveaways as detailed on the [RSNA 2026 Exhibitor Rules and Regulations](#).
18. Registered RSNA professional attendees will have the option to add the Lunch & Learn to their agenda or to share and favorite the session on Meeting Central and in the Meeting App closer to the date of RSNA 2026. RSNA does not require attendees to register for sessions.
19. Sponsors may create an RSVP form to collect attendee RSVPs in advance of the session. The use of RSVPs can help inform your catering numbers and secure pre-registrant information. The RSVP link must be provided to RSNA with the session information submitted on the Program Submission form by September 15. If you provide an RSVP link, please note the following:
 - RSNA will add “RSVP-required” to the end of your title and will add the link to the description on your session page. RSVP forms should be live when submitting the RSVP link on the Program Submission form. RSVP links will be added to your session page upon receipt.

- RSNA will add the following copy to your session description, “RSVP is required. Adding this session to your agenda does not guarantee your seat in this session.”
 - Creation and management of the RSVP form is solely up to the sponsor hosting the Lunch & Learn session. If collecting RSVPs, sponsors are encouraged to add a question on attendee type to confirm if registrants are in-person or virtual attendees.
 - Sponsors are responsible for managing the RSVP list and adding attendees to a wait list once the capacity of the Lunch & Learn room is reached.
 - Communications with attendees on the RSVP list and wait list will be the responsibility of the sponsor; RSNA does not communicate with attendees regarding individual Lunch & Learn sessions.
 - Sponsors are encouraged to bring the RSVP list to the session room to help support the check-in process.
20. Sponsors are strongly encouraged to arrive at the session room no later than 30 minutes prior to the presentation start time and if possible, earlier. An early arrival will go a long way to helping ensure that the check-in process is a smooth one. Please also note that the room will be unattended prior to your arrival and that we frequently see attendees arrive early for Lunch & Learns. RSNA will place a "session room is not yet open" sign outside of your room prior to your arrival.
21. Sponsor is responsible for working with the room monitor to manage the onsite room capacity while admitting attendees and must close the room once the capacity for standing room attendees has been reached. RSNA will provide stanchions outside the Lunch & Learn room with a sign stating, “Sponsor Name Lunch & Learn Line Starts Here” to help support the check-in process. The room monitor will be onsite at the entrance to the room with a counter and will assist with closing the room when capacity is reached, placing a “session room is full” sign outside the room and closing the doors.
22. If you collect attendee RSVPs in advance, we recommend that you instruct attendees to form two lines, one on either side of the stanchions, for those that RSVP’d and those that did not RSVP. Best practice is to admit attendees that RSVP’d first and allow additional attendees to enter starting 5 minutes in advance of your session. We recommend communicating to the attendees that RSVP’d the time by when they should arrive at your session room.
23. In accordance with safety regulations, attendees may not sit on the floor or block access to an entrance/exit. Hallway traffic should also not be blocked by attendees waiting to enter, and attendees must not be admitted to the room once capacity has been reached. Security will monitor all safety concerns and may intervene if necessary.
24. No additional time in the Lunch & Learn room will be allowed for set up or rehearsal.
25. All company equipment, literature and handouts as well as the sponsor’s free-standing sign and branded tablecloth must be removed from the room and check-in area outside the room within 30 minutes of the end of the session.

26. RSNA attendee information for the in-person presentation is not provided to the company. If a company wishes to capture onsite attendee information, they may utilize a lead retrieval scanner. Sponsor is responsible for ordering lead retrieval scanners in advance of the session with the RSNA approved contractor.
27. Companies will receive metrics on total views within RSNA Meeting Central as well as a list of attendees that opted to share their contact information for the on-demand presentation. Session reports and a copy of the RSNA recording will be provided in January. Updated metrics are available upon request following the conclusion of virtual access in late February 2027.
28. Lunch & Learn title, description and speakers must be submitted to RSNA for review via the Program Submission form prior to promotion of the Lunch & Learn. See Important Deadlines at the end of this document for additional information.
29. All speakers and staff working the Lunch & Learn must be registered to access all onsite meeting spaces, including Lunch & Learn rooms.
30. Exhibitors securing a Lunch & Learn may register presenters as exhibitor personnel, if applicable, using your exhibitor badge allotment or they can register on the [RSNA Annual Meeting Registration page](#). For additional information on exhibitor badge registration, see the [RSNA 2026 Exhibitor Badge Registration page](#) which will be updated with exhibitor registration details in August. Additional badges are not included in this sponsorship.
31. Speaker honoraria are allowed and will be administered by the company or third-party provider. Exclusivity agreements that prohibit speakers from presenting at other RSNA courses are not allowed.
32. Companies must disclose to speakers that this is a corporate sponsored Lunch & Learn and not an RSNA session.
33. Lunch & Learn speakers will not be able to utilize the RSNA speaker ready rooms and must bring their presentation files to the room the day of the presentation. Presenters may use their own presentation template, and slides should be designed using the widescreen (16:9) aspect ratio.
34. All Lunch & Learns must be held in compliance with ACCME's Standards for Industry Support and the AMA's Opinion on Gifts to Physicians from Industry.
35. Lunch & Learn sponsor agrees to adhere to the "Product Launch/Booth Presentations" guideline in the [RSNA 2026 Exhibitor Rules and Regulations](#) by preserving the anonymity of patients and research subjects by removing all potentially identifying information including patient likenesses, identification numbers, names, initials, etc.—from images, charts, graphs, tables, and text.
36. Company assumes full responsibility for copyright of all images contained within the presentation.
37. Content that is part of an accepted abstract and will be presented in an RSNA course or poster at the annual meeting is not eligible to be presented as part of a Lunch & Learn.

38. Third-Party Organizers: Companies that choose to use a third-party organizer must submit a letter on company letterhead naming the third party as being authorized to handle planning responsibilities on the exhibitor's behalf. Third-party organizers cannot be a medical society or association. No direct requests from third-party organizers will be considered. Third-Party Organizers must also be registered as an EAC (Exhibitor Appointed Contractor) by October 15. EAC registration information can be obtained through the Exhibitor Service Kit, which will be available July 15.
39. Lunch & Learns found to be in violation of these guidelines shall be immediately discontinued. This agreement is in addition to any contract for exhibit space. All terms, conditions, rules and regulations contained therein remain in full force. The company waives any rights to claims of damages arising out of enforcement of these guidelines.
40. All matters and questions not covered by the above guidelines are subject to the discretion of RSNA. These RSNA guidelines may be amended at any time and all amendments shall be equally binding on all parties. In the event of any amendment or addition to these guidelines, written notice will be given by RSNA to such parties.
41. The company shall protect, indemnify, hold harmless and defend RSNA, its officers, directors, agents and employees against all such claims, liabilities, losses, damages and expenses, including reasonable attorneys' fees and costs of litigation; provided that the foregoing shall not apply to injury, loss or damage caused by or resulting from the negligence of RSNA, its officers, directors, agents or employees.

Signage and Promotional Guidelines

1. Each Lunch & Learn will receive a dedicated page in the session catalog on RSNA Meeting Central and in the RSNA Meeting App. Presentations will be listed under the session type of Lunch & Learns (non-CME).
2. RSNA anticipates that presentations secured with a signed contract by June 30 will be listed in the preliminary catalog with basic details (company name, session type, date, and time) following the launch of Meeting Central. Presentations secured after June 30 will be added to the session catalog at regular intervals.
3. **Program Submission forms are due September 15.**
4. Companies must complete and submit the Lunch & Learn Program Submission form by September 15 for their session information to be added to the dedicated page in the session catalog and to appear on signage outside the classroom. The form will capture title, speaker(s), description and any links.
5. Presentation titles submitted on the Program Submission form must include the name of the company that purchased the presentation.
6. Companies requiring that attendees RSVP in advance using a company created RSVP form should indicate this on the Program Submission form and must provide the RSVP link on the form. RSNA will add "RSVP-required" to

the end of your title. For additional information, please refer to General Guideline 19 regarding the use of RSVPs.

7. Information on your Program Submission form should be final at the time of submission and will be added to your session page upon receipt following the September 15 deadline. Session information will be listed in the catalog and on signage exactly as submitted.
8. After the deadline, while we do our best to accommodate required changes, we cannot guarantee changes after September 15. Also, we rely on you to review your session page to ensure accuracy. For best results, please submit your session information by September 15.
9. RSNA will include the Lunch & Learn titles and speaker names as of October 31 on the digital sign outside the classroom. RSNA will also produce directional signage to guide attendees to Lunch & Learn rooms as well as a sign with your promotional company name from the Exhibitor Resource Center (ERC) that identifies the start of your Lunch & Learn line. RSNA may promote industry sessions in meeting materials, listing the promotional company name from the ERC as of October 31.
10. During the room rental period, companies may use a branded tablecloth and/or display a free-standing sign (no larger than 33" wide x 80" high) immediately outside the Lunch & Learn room only. Companies may also promote the Lunch & Learn within their exhibit space. No other signage, promotions, solicitations or branding materials may be used in any other public areas within McCormick Place unless it is within the guidelines of another RSNA 2026 sponsorship or promotional opportunity.
11. Exhibitors may participate in RSNA promotional opportunities to promote the presentation. Visit [RSNA.org/Promote](https://www.rsna.org/Promote) to see available opportunities. RSNA meeting logo, marketing collateral and usage guidelines are available [here](#).
12. If collecting RSVPs, exhibitors should not use "register" to encourage attendees to sign up. Companies may use "RSVP."
13. Exhibitors may not misrepresent the Lunch & Learn as RSNA education in any promotional materials before, during or after the Lunch & Learn.
