

A large banner for 'FREEMAN' is displayed in a modern building lobby. The banner is mounted on a silver metal truss structure and features the word 'FREEMAN' in large, bold, grey capital letters. Below the name, the dimensions '40'W x 10'H' are printed in a smaller, bold, black font. The banner is set against a background of large windows that offer a view of a city skyline. The floor is highly reflective, mirroring the banner and the surrounding environment.
