March 9-12 | Las Vegas

## HIMSS Global Conference: Unparalleled Opportunities

Other events generate buzz. HIMSS26 delivers buyers.

The HIMSS Global Health Conference & Exhibition is where the entire healthcare ecosystem converges — providers, payers, startups, pharma/life sciences, investors, and public sector leaders — all in one high-efficiency environment built to drive decisions, shorten sales cycles, and fuel real business outcomes.

### Global Reach Without Global Overhead

International Influence — Drawing over 3,000 attendees from more than 70 countries, the conference provides a truly global platform for expanding market reach and gaining international insights.

### Reaching Clinicians Isn't a Maybe. It's a Metric.

CE credits, curated networking, hands-on demos, hackathon's = clinician engagement that matters.

HIMSS25 saw double-digit growth in nurse and physician attendance, bringing frontline influence to your booth.

### Proven ROI. Every Time.

- 170+ qualified leads per exhibitor.
- Structured 1:1 meetings with buyers.
- Don't split your budget. Multiply your impact.

### Where Healthcare's Power Players Converge

Premier Digital Health Event in the US — With over 25,000 healthcare professionals and nearly 1,000 exhibitors, HIMSS Global Conference creates an unmatched ecosystem for your clients to forge meaningful connections with prospects and strategic partners.

### Exclusive Advantages.

HIMSS Membership Leverage — As the flagship event for HIMSS's 180,000+ global members, the conference represents the largest annual gathering of this influential community.

Government Engagement — Unparalleled access to policy makers, regulatory updates, and government speakers, attracting over 3,000 public sector participants.
